

New England Equitation Committee

Scholarship Award

July 2010

Dear New England Medal Qualifier:

The New England Equitation Committee is pleased to announce that the annual scholarship awards will be presented at the NEEC Finals at the Eastern States Exposition Center on the weekend of October 14-17, 2010.

The Scholarships have been made possible by the contributions and support of members, parents, patrons and friends of the NEEC to encourage junior and adult riders to seriously pursue education beyond the high school level.

Candidates for the awards must have qualified for the 2010 New England Horsemen's Council Junior Medal Finals or the Amateur Adult Medal Finals, and must have been accepted to and enrolled in college, professional school or another continuing education program for the school year beginning September 2010 or January 2011. There will be no exceptions to the rules for qualification.

The deadline for receipt of applications is Friday, October 1, 2010. A panel of three will designate the recipients of the awards which are to be used solely for your educational expenses. To obtain an application form which is to be completed and returned to me, please call or write:

Question #1

Tell us about your career goals. What plans are you making for continuing your education beyond the high school level and what is your time schedule for doing so? (i.e. college, junior college, business school, vocational school etc.)

Question #2

We are well aware of the demands on your "time" required by the care, training and showing of your horse. Have you been able to participate in other sports or extra-curricular activities at school, church or in your community? Are you gainfully employed anywhere? Perhaps you work at the Barn to help pay for lessons, board and show expenses; if so, tell us about it.

Question #3

Describe a situation in which you exercised leadership, responsibility and/or judgement indicating its impact on your personal development.
